

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

<u>Document and Portion of Document to be Sealed by U.S.</u>	<u>Defendants' "Evidence in Support of Sealing" (Dkt. No. 329)</u>	<u>Ruling</u>	<u>U.S.' Position on Unsealing (Dkt. No. 329)</u>	<u>Proposed Intervenor's Reply</u>	<u>Updated Positions</u>
Dkt. No. 45, Motion to Seal Excerpts of Agostini's First Declaration ISO Opposition to PI	Privacy Act, 5 U.S.C. §§ 552a(b); (b)(7) (protect privacy interest and law enforcement sensitive information)	Granted without explanation in Dkt. No. 222	Defendants do not object to unsealing Dkt. No. 45, as the motion to seal itself should not have been filed under seal.	The Court should unseal Dkt. No. 45 now that Defendants have withdrawn their sealing request.	(no change)
Documents and excerpts related to Dkt. No. 45	Privacy Act, 5 U.S.C. §§ 552a(b); (b)(7) (protect privacy interest and law enforcement sensitive information)	Granted without explanation in Dkt. No. 222	Defendants object to unsealing excerpts related to Dkt. No. 45 as the reasons for sealing (privacy and confidential criminal investigative material) remain compelling despite facility closure.	Proposed Intervenor cannot assess whether underlying documents should be unsealed without seeing the motion to seal. Proposed Intervenor notes their general objection to Defendants' reliance on the Privacy Act and FOIA exemptions.	Federal Defendants maintain that the unredacted excerpts in Dkt. Nos. 45-4 and 45-5 should remain sealed because they contain personally identifying information and information relating to ongoing criminal investigations.

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

Dkt. No. 75, Unopposed Motion to Seal	Privacy Act, 5 U.S.C. § 552a (private health information)	Granted without explanation in Dkt. No. 222	Defendants do not object to unsealing Dkt. No. 75, as the motion to seal itself should not have been filed under seal.	The Court should unseal Dkt. No. 75 now that Defendants have withdrawn their sealing request.	(no change)
Documents and excerpts related to Dkt. No. 75	Privacy Act, 5 U.S.C. § 552a (private health information)	Granted without explanation in Dkt. No. 222	Defendants object to unsealing all documents and excerpts related to Dkt. No. 75 as the reasons for sealing (privacy) remain compelling despite facility closure.	Proposed Intervenor cannot assess whether underlying documents should be unsealed without seeing the motion to seal. Proposed Intervenor does not seek to unseal medical records, but note their general objection to Defendants' reliance on the Privacy Act	Federal Defendants have stated that the sealed exhibits contain a declaration authenticating medical records and medical records. Intervenor does not seek to unseal medical records.
Dkt. No. 143, Plaintiffs' Administrative Motion to Consider Whether Another Party's Material Should Be Sealed	(Related to Dkt. No. 159)	Granted without explanation in Dkt. No. 222	Did not address	This motion is related to Dkt. No. 159. See below.	Federal Defendants agree that evidentiary hearing Exhibits K and N should be unsealed subject to the redaction of personally identifying information.

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

Dkt. No. 159, Admin. Mtn to Seal Response to Dkt. No. 143	Dkt. No. 161-3 at ¶¶ 6, 8, 16	Granted without explanation in Dkt. No. 222	Defendants do not object to unsealing Dkt. No. 159, as the motion to seal itself should not have been filed under seal.	The Court should unseal Dkt. No. 159 now that Defendants have withdrawn their sealing request.	(no change)
Documents and excerpts related to Dkt. No. 159	Privacy Act, 5 U.S.C. § 552a; Doc. 161-3 at ¶¶ 6, 8, 16	Granted without explanation in Dkt. No. 222	The United States objects to unsealing its Response to Dkt. 143 as the reasons for sealing remain compelling (privacy and institutional security) despite facility closure.	Proposed Intervenor cannot assess whether underlying documents should be unsealed without seeing the motion to seal. Proposed Intervenor notes their general objection to Defendants' reliance on the Privacy Act.	The sealed information in Dkt. 159-3 relates to evidentiary hearing Exhibits J, T, K and N, (K and N are discussed in Dkt. No. 143), which Federal Defendants agree should be unsealed subject to the redaction of personally identifying information and on the new ground that law enforcement sensitive policies not relevant to this litigation should remain sealed to maintain institutional security nationwide
Dkt. 162, Admin. Mtn to Seal Private Health Information	Privacy Act, 5 U.S.C. § 552a	Granted without explanation in Dkt. No. 222	Defendants do not object to unsealing the administrative motion to seal, but objects to unsealing related documents as the reasons for sealing (privacy) remain valid despite	The Court should unseal Dkt. No. 162 now that Defendants have withdrawn their sealing request. Proposed Intervenor cannot assess whether underlying documents	Federal Defendants agree that the documents at issue should be unsealed subject to the redaction of personally identifying information.

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

			facility closure.	should be unsealed without seeing the motion to seal. Proposed Intervenor note their general objection to Defendants' reliance on the Privacy Act	
Dkt. 168, Admin. Mtn to Seal Report to Court	Privacy Act, 5 U.S.C. § 552a(b)	Granted without explanation in Dkt. No. 222	Defendants do not object to unsealing the motion to seal, but objects to unsealing the related documents as the reasons for sealing (privacy) remain valid despite facility closure.	The Court should unseal Dkt. No. 168 now that Defendants have withdrawn their sealing request. Proposed Intervenor cannot assess whether underlying documents should be unsealed without seeing the motion to seal. Proposed Intervenor note their general objection to Defendants' reliance on the Privacy Act.	Federal Defendants agree that the documents at issue should be unsealed subject to the redaction of personally identifying information.
Dkt. 176, Admin. Mtn to Seal Documents Related to Dkts. 172–176	Privacy Act, 5 U.S.C. § 552a; Doc. 161-3 at ¶¶ 6, 8, 16	Granted without explanation in Dkt. No. 222	Defendants do not object to unsealing the motion to seal, but objects to unsealing related documents, as the reasons for sealing (privacy and institutional security) remain compelling despite facility closure.	The Court should unseal Dkt. No. 176 now that Defendants have withdrawn their sealing request. Proposed Intervenor cannot assess whether underlying documents should be unsealed without seeing the motion to seal. Proposed	Federal Defendants maintain that Dkt Nos. 176-3, and 176-4, and 176-5 should remain sealed because they relate to institutional security and on the new ground that they contain information relating to ongoing criminal investigations.

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

				Intervenors note their general objection to Defendants' reliance on the Privacy Act.	
Dkt. No. 178, Plaintiffs' Administrative Motion to Consider Whether Another Party's Material Should Be Sealed Regarding Portions of Plaintiffs' Reply Post-Evidentiary Hearing Brief	(Defendants previously raised institutional safety arguments in Dkt. No. 193)	Granted without explanation in Dkt. No. 222	Did not address	This sealing request relates to the Moss Group Report. The Court should unseal this Report because Defendants' institutional safety argument is not supported by specific facts.	This sealing request also relates to evidentiary hearing exhibits, and Dkt. 162-3, which Federal Defendants agree should be unsealed subject to the redaction of personally identifying information. The excerpt in Dkt. 178-3 referencing Dkt. 176-4, should remain sealed on the new ground that it contains information relating to ongoing criminal investigations.
Dkt. No. 184, Admin. Mtn to File Excerpts Under Seal Excerpts of Documents, and all excerpts of said documents, containing	Privacy Act, 5 U.S.C. § 552a(b); Doc. 161- 3 at ¶¶ 6, 8, 16	Granted without explanation in Dkt. No. 222	The United States objects to unsealing Dkt. 184 as the reasons for sealing remain compelling despite facility closure.	The Court should unseal these documents because Defendants' arguments relating to privacy and institutional safety are not supported by specific facts.	Federal Defendants object to unsealing Dkt. Nos. 184-3, 184-4, and 184-5 on the new ground that the documents relate to ongoing criminal investigations.

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

PII and law enforcement sensitive materials					
Dkt. No. 191, Plaintiffs' Administrative Motion to Consider Whether Material Should Be Sealed Regarding Portions of Plaintiffs' Emergency Notice in Response to United States Notices in Response to Dkt. Nos. 157 and 157-1	(Defendants have not previously responded to this motion)	Granted without explanation in Dkt. No. 222	Did not address	<p>This motion relates to "material that the Court filed under seal in this matter in its <i>sua sponte</i> Order Granting Immediate Specific Relief, ECF No. 157-1." Dkt. No. 191.</p> <p>Proposed Intervenor cannot assess whether the underlying documents should be unsealed without examining the Court's basis for allowing these documents to be filed under seal.</p>	Federal Defendants take no position on unsealing Dkt. No. 191-3.
Dkt. No. 197, Admin. Mtn to Seal Declarations Related to PII and Institutional	Privacy Act, 5 U.S.C. § 552a(b), Doc. 161-3 at ¶¶ 6, 8, 16 (Defendants also	Granted without explanation in Dkt. Security and related filings	previously also previously relied on Court's February 27, 2024 hearing statements)		compelling despite facility closure.	whether underlying documents should be unsealed without examining the Court's basis for allowing these documents to be filed under seal.	new ground that the documents relate to ongoing criminal investigations.
Dkt. No. 199, Admin. Mtn to Seal Medical Information in Response to Dkts. 190 and 195, and related filings	Privacy Act, 5 U.S.C. § 552a(b) (Defendants also previously relied on the Court's March 4, 2024 conference statements)	Granted without explanation in Dkt. No. 222	The United States objects to unsealing all documents and excerpts related to Dkt. No. 199 as the reasons for sealing (privacy) remain compelling despite facility closure.	Proposed Intervenor do not seek to unseal individual private medical information but note their general objection to Defendants' reliance on the Privacy Act. Proposed Intervenor cannot fully assess whether underlying documents should be unsealed without examining the Court's basis for allowing these documents to be filed under seal.	Federal Defendants have stated that Dkt. Nos. 199-4 through 199-28 are medical records. Intervenor do not seek to unseal medical records. Federal Defendants have stated that Dkt. No. 199-3 is a declaration that contains information relating to a sealed Court order (Dkt. No. 157-1). If that order is unsealed, Federal Defendants do not object to unsealing the declaration with appropriate redaction of PPI.

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

Dkt. No. 204, Plaintiffs' Administrative Motion to Consider Whether Material Should Be Sealed Regarding Portions of Plaintiffs' Opposition to United States' Motion to Seal Excerpts of Plaintiffs' Filings and Preliminary Injunction Exhibit N (Dkt. No. 193)	(Dkt. No. 204 refers to the Moss Group report, which Defendants requested be sealed in Dkt. No. 193)	Granted without explanation in Dkt. No. 222	Did not address	See line for Dkt. No. 178.	This sealing request also relates to evidentiary hearing exhibits, and Dkt. 162-3, which Federal Defendants agree should be unsealed subject to the redaction of personally identifying information. The excerpt in Dkt. 178-3 referencing Dkt. 176-4, should remain sealed on the new ground that it contains information relating to ongoing criminal investigations.
Dkt. No. 206, Mtn. to Seal Reese Second Decl. and related filings, which were provided at the direction of the Court during the	Privacy Act, 5 U.S.C. § 552a(b)(7) (Defendants also previously relied on the Court's February 27, 2024 hearing statements)	Granted without explanation in Dkt. No. 222	Defendants object to unsealing this declaration as the reasons for sealing (confidential criminal investigative material and privacy of a non- party) remain compelling despite facility closure.	Proposed Intervenor cannot fully assess whether underlying documents should be unsealed without examining the Court's basis for allowing these documents to be filed under seal. Proposed Intervenor note their	Federal Defendants maintain that Dkt. 206-3 must remain sealed on the new ground that it contains information relating to an ongoing criminal investigation.

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

Feb. 27, 2024 Hearing, and contains confidential criminal investigative material and PII of a non-party.				general objection to Defendants' reliance on the Privacy Act and FOIA exemptions.	
Dkt. No. 229, Unopposed Mtn. to Seal Documents Related to Special Master Candidates (Exhibits 1 through 5)	Privacy Act, 5 U.S.C. § 552a	Granted without explanation in Dkt. No. 232	Defendants do not object to redacting PII and filing a public version of Dkt. No. 229-2.	Proposed Intervenor did not request that this be unsealed.	(no change)
Dkt. No. 236, Admin. Mtn for <i>in camera</i> review and to Seal Notice of <i>ex parte</i> Communication	Lothrop's First Decl., institutional security.	Pending	Defendants object to unsealing Dkt. No. 236-4, as the reasons for sealing (institutional security) remain compelling despite facility closure.	Defendants' argument relating to institutional safety is not supported by specific facts. Proposed Intervenor agrees with Plaintiffs' objection to this sealing request. <i>See</i> Dkt. No. 237 at 2-3.	Federal Defendants agree that Dkt. No. 236-4 should be unsealed.
Dkt. No. 239, Admin. Mtn for <i>in camera</i> review and to Seal Documents	Lothrop's First Decl., institutional security. Advance public notice of intent	Pending	Defendants do not object to unsealing Dkt. No. 239-3, as the transfer is complete and FCI Dublin is closed, mooted the reasons for sealing.	The Court should unseal Dkt. No. 239-3 now that Defendants have withdrawn their sealing request.	Federal Defendants agree that both Dkt. Nos. 239-3 and 239-4 can be unsealed with redaction of personally identifying information.

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

Related to Transfer of AIC	to transfer an AIC is not sound correctional practice and can jeopardize the safety of the AIC as well as institution staff, both of which are independent compelling interests.		The remaining attachment contain PII and must remain sealed pursuant to the Privacy Act.	The remaining attachment should be unsealed but allow for redaction of PII.	
Dkt. No. 242, Admin. Mtn for <i>in camera</i> review and to Seal Documents Related to Transfer of AIC	Lothrop's First Decl., institutional security. Advance public notice of intent to transfer an AIC is not sound correctional practice and can jeopardize the safety of the AIC as well as institution staff, both of which are independent compelling interests.	Pending	Defendants do not object to unsealing Dkt. No. 242- 3 as the transfer is complete and FCI Dublin is closed, mooted the reasons for sealing. The remaining attachments contain PII and must remain sealed pursuant to the Privacy Act.	The Court should unseal Dkt. No. 242-3 now that Defendants have withdrawn their sealing request. Dkt. No. 242 is a motion to seal that should also be unsealed. Proposed Intervenor cannot assess whether additional underlying documents should be unsealed without seeing motion to seal.	Federal Defendants agree that Dkt. Nos. 242, 242-1, and 242-2 should be unsealed. Federal Defendants also agree that Dkt. Nos. 242-3 and 242-4 can be unsealed with redaction of personally identifying information.

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

Dkt. No. 244, Admin. Mtn for <i>in camera</i> review and to Seal Documents Related to Transfer of AIC	Lothrop's First Decl., institutional security. Advance public notice of intent to transfer an AIC is not sound correctional practice and can jeopardize the safety of the AIC as well as institution staff, both of which are independent compelling interests.	Pending	Defendants do not object to unsealing Dkt. No. 244-3 as the transfer is complete and FCI Dublin is closed, mooted the reasons for sealing. The attachments contain PII and should remain sealed pursuant to the Privacy Act.	The Court should unseal Dkt. No. 244-3 now that Defendants have withdrawn their sealing request. Dkt. No. 244 is a motion to seal that should also be unsealed. Proposed Intervenor cannot assess whether additional underlying documents should be unsealed without seeing motion to seal.	Federal Defendants agree that Dkt. Nos. 244, 244-1, 244-2, and 244-3 should be unsealed. Federal Defendants also agree that Dkt. Nos. 244-4, 244-5, and 244-6 can be unsealed with redaction of personally identifying information.
Dkt. No. 247, Unopposed Mtn. to Seal Portions of Mold and Asbestos Reports	Dkt. No. 161 - 3 at ¶¶ 6, 8, 16, institutional security.	Pending	Defendants object to unsealing Dkt. No. 246-1 and 2, the portions of the reports containing maps of the facility, as the reasons for sealing (institutional security) remain compelling despite facility closure.	Proposed Intervenor note that maps of the facility are already available to the public in Dkt. No. 198-2.	(no change)

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

Dkt. No. 251, Mtn. to Seal Notice of Intent to Transfer AICs Due to Facility Closure	Lothrop's First Decl., institutional security.	Granted without explanation in Dkt. No. 300	Defendants do not object to unsealing Dkt. No. 251-3 as the transfer is complete and FCI Dublin is closed, mooted the reasons for sealing. As such, Defendants will redact PII and file a public version of Dkt. No. 251-3.	The Court should unseal Dkt. No. 251-3 now that Defendants have withdrawn their sealing request. Dkt. No. 251 is a motion to seal that should also be unsealed.	Federal Defendants agree that Dkt. Nos. 251 and all attachments should be unsealed.
Dkt. No. 258, Admin. Mtn to Seal Excerpts from U.S.' Mtn for Relief from Dkt. No. 254-1	Lothrop's First Decl., institutional security.	Granted without explanation in Dkt. No. 300	Defendants object to unsealing documents related to Dkt. No. 258, as the reasons for sealing (institutional security) remain compelling despite facility closure.	Defendants' argument relating to institutional safety is not supported by specific facts. Proposed Intervenor agree with Plaintiffs' objection to this sealing request. <i>See</i> Dkt. No. 259 at 2-3.	Federal Defendants do not object to unsealing Dkt. Nos. 258-3 and 258-4, as the transfer is complete and FCI Dublin is closed, mooted the reasons for sealing.
Dkt. No. 263, Plaintiffs' Administrative Motion to Consider Whether Another Party's Material Should Be Sealed Regarding Portions of Plaintiffs' Notice of	(Defendants have not previously responded to this motion)	Granted without explanation in Dkt. No. 300	Did not address	Consistent with Civil L.R. 79-5(f)(3), the Court should order that Plaintiffs' brief be refiled without redactions.	Federal Defendants agree that redactions may be removed consistent with unsealing.

SEALED DOCUMENTS PROPOSED INTERVENORS REQUESTED BE UNSEALED

Motion and Memorandum of Points and Authorities in Support of Motion for Temporary Restraining Order					
Dkt. No. 292, Notice of Manual Filing Documents Under Seal in Response to Dkt. No. 275- 1	The Court directed BOP to provide this filing in sealed Order at Dkt. No. 275-1. Some of the contents are privileged and confidential law enforcement sensitive policies.	Pending	To the extent the Court's Order directing this filing remains sealed, Defendants object to unsealing Dkt. No. 292-A-P. If Dkt. No. 275- 1 is unsealed, Defendants do not object to redacting PII and law enforcement sensitive materials and filing public versions.	Proposed Intervenor cannot assess whether underlying documents should be unsealed without knowing the nature of the documents and examining the Court's basis for directing these documents to be filed under seal. Proposed Intervenor note their general objections to Defendants' reliance on FOIA exemptions and evidentiary privileges for law enforcement-related documents.	Federal Defendants have stated that these documents relate to the issue of record preservation, including a declaration explaining how records were being preserved during the closure. Intervenor take the position that the documents should be docketed. If the need for sealing persists, Federal Defendants should move to seal accordingly.

SEALED TESTIMONY PROPOSED INTERVENORS REQUESTED BE UNSEALED

<u>Docket Entry</u>	<u>Description</u>	<u>U.S.'s Position (Dkt. No. 329)</u>	<u>Proposed Intervenor's Reply (Dkt. No. xx)</u>	<u>Updated Positions</u>
Dkt. No. 107	Sealed Transcript of Proceedings held on January 5, 2024	Not addressed	The Court should consider whether the facility's closure has mooted any grounds for sealing. Proposed Intervenor also note their general objection to Defendants' arguments relating to institutional safety.	Federal Defendants believe this excerpt has been sealed because it contains the names of witnesses who were otherwise identified by initials. To the extent this is the basis for sealing, Intervenor do not challenge the sealing.
Dkt. No. 113	Sealed Transcript of Ex Parte Proceedings held on January 4, 2024	Not addressed	The Court should consider whether the facility's closure has mooted any grounds for sealing. Proposed Intervenor also note their general objection to Defendants' arguments relating to institutional safety.	Federal Defendants maintain that these transcripts should be sealed because they contain confidential information unrelated to the merits of the case. Intervenor cannot assess whether to challenge this sealing without understanding the nature of the proceedings.

SEALED TESTIMONY PROPOSED INTERVENORS REQUESTED BE UNSEALED

Dkt. No. 114	Sealed Transcript of Ex Parte Proceedings held on January 4, 2024	Not addressed	The Court should consider whether the facility's closure has mooted any grounds for sealing. Proposed Intervenor also note their general objection to Defendants' arguments relating to institutional safety.	Federal Defendants maintain that these transcripts should be sealed because they contain confidential information unrelated to the merits of the case. Intervenor cannot assess whether to challenge this sealing without understanding the nature of the proceedings.
Dkt. No. 116	Sealed Transcript of Proceedings held on January 8, 2024	Not addressed	The Court should consider whether the facility's closure has mooted any grounds for sealing. Proposed Intervenor also note their general objection to Defendants' arguments relating to institutional safety.	Federal Defendants believe this excerpt has been sealed because it contains the names of witnesses who were otherwise identified by initials. To the extent this is the basis for sealing, Intervenor do not challenge the sealing.

SEALED COURT ORDERS PROPOSED INTERVENORS REQUESTED BE UNSEALED**UNSEALED**

Docket Entry	Description	U.S.'s Position (Dkt. No. 329)	Proposed Intervenor's Reply	Updated Positions
